### HOW TO USE

Wet hair and reactivate Mist by massaging it in your hands. Apply to the scalp by dividing hair and massage following the Touch Therapy protocol.

### TOUCH THERAPY

1. Position your hands on the sides of the head, use your fingertips to make large circular movements towards the nape in reverse, starting from the nape to the sides.
2. Position your hands on the frontal area, perform wide circular movements crossed up to the vertex then repeat the same movements in the reverse direction, starting from the vertex up to the frontal area.
3. Position the hands under the nape of the neck, perform large cross movements up to the vertex and then repeat them movements in the reverse direction, starting from the vertex to the nape.
4. Conclude by wrapping the neck with your hands and making a circular cross movement.
