

## INCA SECRET® COLOR

### PERMANENT GEL CREAM COLOR WITH OXIDATION

in 60 shades + 1 clear

**Inca Secret® Color** is oxidative permanent hair coloring. The formula has a gel cream base without alcohol. The active part contains **Qui. Sacha Complex®** that transforms hair coloring into pure nourishment with extreme brightness. The Coconut derivatives, Beeswax and Castor Oil, ensure a greater adhesion capacity for a perfect coverage with maximum reflection. **Meammonia®**, the innovative technology of **Martom Deluxe Hair Code®**, limits the amount of alkaline components in the formula and makes it possible to exploit the advantages of monoethanolamine and ammonia in this combination by keeping the average percentage below 1%.
