HOW TO USE

After Clarity preparing shampoo, towel dry hair, divide it into sections, apply Harden Therapy from root to ends and massage following the Touch Therapy protocol. Place under the drier (50° -60°C) for 15-20 minutes. Allow to cool for 10 minutes, rinse and proceed with the **Anthology** shampoo and conditioner as per instructions provided.

TOUCH THERAPY

1. Perform wrapping movements on the whole hair starting from the frontal area up to the nape and neck towards the summit.
2. Position the palms of the hands under the nape and make large circular movements towards the vertex.
3. Position your hands on the frontal area and make large circular movements from the forehead to the vertex.
4. Conclude by performing wraparound movements over the entire hair, starting from the frontal area up to the nape and from the nape to the vertex.
