HOW TO USE

After shampooing, remove excess water and reactivate Grace by massaging it in your hands. Apply to lengths and massage following the Touch Therapy protocol.

TOUCH THERAPY

1. Position the palms of the hands on the sides of the head and make wide circular movements from the sides to the nape.
2. Position the palms of the hands on the nape and perform wide circular movements up to the vertex.
3. Position your hands on the frontal area and make wide circular movements up to the vertex.
4. Position the thumbs in the center of the frontal area by applying light pressures lasting 3 seconds; repeat the pressures every 2 cm, finishing on the vertex.
5. Position the palms of the hands on the frontal area and slide lightly up to the nape of the neck.
6. Conclude by wrapping the neck with your hands and making a circular cross movement.
